Master’s Degree Programme

- Important choices
- Structure of the Master’s Degree Programme
- Admission
- Practical information
Admission

- When bachelor completed
- You apply for admission into Master’s Programme
  - Deadline: 1 March
- ... or apply for admission into PhD studies
- Admission
  - You must actively apply for admission
  - You must actively apply for SU
  - Making a study programme (contract) does not suffice
- [http://kandidat.au.dk/optagelse/ansoegning/](http://kandidat.au.dk/optagelse/ansoegning/)
Temporary Admission

- If you lack X<30 ECTS in your bachelor, you may for a 6 months period take 30-X ECTS courses to be part of your future Master’s Programme
- No temporary admission if you still lack a mandatory course and you have failed it twice!
- Never delay (re)examination in a mandatory course!
- This might have SU-related consequences!
PhD studies?

- Apply for PhD studies!
  - For deadlines see http://talent.au.dk/phd/scienceandtechnology/opencalls/
  - You receive a salary while studying!
  - http://talent.au.dk/phd/scienceandtechnology/programmes/computer-science/
  - Apply for PhD studies directly following your bachelor studies, during your Master’s studies or following your Master’s degree. (Why not apply early?)

Fremdriftsreform (”study progress reform”)

- If you follow the recommended program of study (30 ECTS per semester), take courses in the correct order (the Box Diagrams) and pass all courses at the ordinary exam or at the first scheduled re-exam then you need not worry about the study progress reform.
- If you fall behind or do not pass a course at the latest by the first reexamination then contact us for advice and guidance on your individual study program.
- If you ignore this advice and believe that “it will be fine”, it may have serious consequences!
- If you do not pass minimum 45 ECTS per year or you do not complete your master’s program within six months after the prescribed time you are automatically signed out of the study program / out of the university [http://studerende.au.dk/en/studies/subject-portals/computer-science/student-counselling/maximum-duration-and-active-enrolment/](http://studerende.au.dk/en/studies/subject-portals/computer-science/student-counselling/maximum-duration-and-active-enrolment/).
- If you fail an exam in an elective course, then that course has become mandatory! If you have made an erroneous choice of an elective course please contact us for guidance immediately!
